Regarding Recipients and Third Parties, it should be noted that personal data may be disclosed, in order to properly carry out all Processing activities necessary to pursue the above purposes, to:

- Subjects carrying out part of the Processing activities and/or activities related and instrumental to the same on behalf of the Data Controller. These subjects have been appointed, pursuant to Art. 28 GDPR, "Data Processors," having to be understood individually by this expression, according to Art. 4 point 8) GDPR "the natural or legal person, public authority, service or other body that processes Personal Data on behalf of the Data Controller." By way of example and not limited to: Consultants and freelancers in individual or associated form, Service Providers on behalf of the Data Controller, Providers of IT services and management of the computer system and telecommunications networks (including e-mail, PEC and telephone company), server/cloud, Providers of Postal and Transportation Services, Banks and entities involved in the management of payment systems, Call Center Service Providers and agencies in charge of promoting the services covered by the Data Controller's business;
- Individuals, employees and/or contractors of the Data Controller, who have been entrusted with specific and/or multiple Personal Data Processing activities, performing under the direct authority of the Data Controller or Data Processor;
- any other associations of which the Data Controller may be a member, members, members of the administrative and management body, including the President and, in any case, the managers designated by the Data Controller in the exercise of their functions. Where appointed pursuant to Article 37 GDPR, the Data Protection Officer (DPO or DDP), if any, may also become aware of the personal data;
- where required by law or to prevent or suppress the commission of a crime, personal data may be disclosed to public bodies or judicial authorities.

The full list of Recipients is available from the Holder's offices at the contact details above.

In addition, in order to ensure fair and transparent Processing, we inform you that:

- Your personal data will not be transferred to a third country or international organization;

- your personal data will not be subject to dissemination or any fully automated decision-making process;
- The Retention Period of personal data is determined as follows:
 - a) for the purposes referred to in points 1) and 2) of the above Table, the data will be retained from the beginning of the membership relationship until its conclusion, except, in any case, the Holder's right, for reasons of its own fiscal and legal protection, to retain them for up to 10 years from the aforementioned conclusion and in any case from the tax return to which the documents containing the data refer; in the case of legal disputes, they will be retained for up to 10 years from their conclusion with a final judgment. In case of non-membership in the Association, prospects' data will be deleted after 6 months from their acquisition;
 - b) for purposes under point 3) of the above Table, the data will be stored without time limit;
 - c) for the purposes set forth in points 4) and 5), the data will be retained and used for the duration of the association relationship and up to 2 years after termination, unless the right to withdraw consent. With regard to prospects, in the event of non-association, once the terms indicated in point a)(6 months) have elapsed, the data will also be deleted with regard to these specific purposes;
- the processing of your personal data will take place at the offices where the Controller is based, with the aid also of electronic means, as well as with the adoption of appropriate security measures for the purpose of the protection of personal data ex art. 32 GDPR;
- You have the right to request from the Data Controller, pursuant to Articles 15-22 GDPR, access to your personal data and the rectification or cancellation thereof (oblio) or restriction of processing or to object to their processing, as well as portability. The relevant requests may be sent to the Controller's contacts, indicated above, by e-mail or Racc. A/R, enclosing an identity document of the requesting party, for the purpose of the relevant identification by the Controller;
- if you have provided consent for one or more specific purposes, you have the right to revoke that consent at any time, without affecting the lawfulness of the Processing based on the consent given before revocation;
- You have the right to lodge a complaint with the Garante, the Supervisory Authority for the Protection of Personal Data, at its known office in Rome, Piazza di Monte Citorio no. 121;
- You are obliged to provide your personal data for the sole purpose of being able to associate with the Owner and allow the Owner to provide the requested services and to comply with legal regulations, including tax regulations and, therefore, without this, the relationship cannot take place;
- Instead, the provision of data for the purposes of marketing, profiling and newsletters, referred to in points 4) and 5) of the Table, is always optional. However, any failure to provide and/or failure to consent, may result in the impossibility for the Data Controller to establish and/or continue the relationship for the purposes not consented to, or to follow up on requests for the provision of specific services (e.g. failure to consent to the photo and video service at events/manifestations/conventions organized by the Data Controller, may result in the impossibility to participate).
